

MARCIMS TRAINING VIDEO EVALUATION

The MARCIMS Project Office wants to provide the most effective training. Training videos are released as supplemental material to assist the Unit Commander with refresher training. Student feedback is important and used to improve future training sessions and materials. Please take a moment to answer the following questions. **Please download and save this form to your local computer before filling out responses.**

If a 3, 4 or 5 rating response is selected for any question below, please state why in the sections' "Additional Comments" area.
